Ahmedabad Airport introduces a dedicated transport options zone in the domestic terminal arrival area.

Ahmedabad, September 12, 2023: Sardar Vallabhbhai Patel International Airport is excited to announce the launch of a new dedicated transport options zone in the domestic terminal arrival area. This zone aims to enhance the passenger experience by providing a range of dedicated counters for various transport options, including prepaid auto, prepaid taxis, Rent A Self Drive (RAS), and Carz on rent.

Conveniently located within the domestic terminal arrival area, the cluster of counters offers passengers a seamless and convenient experience when selecting their preferred mode of transportation. Whether passengers require a prepaid taxi, pre-paid auto or any other transport option, the dedicated counters accessible from inside the arrival hall and outside the arrival area offer a choice of transportation to passengers.

Implementing this specialized transport options zone highlights Ahmedabad Airport's commitment to providing exceptional connectivity to the city from the airport. Passengers will have the opportunity to make well-informed decisions from the variety of options available and choose the most suitable mode of transportation that meets their needs upon arrival at the airport.

This initiative further solidifies Ahmedabad Airport's position in India's best/top airports, emphasizing passenger satisfaction and continuous improvements to the overall airport experience. The dedicated transport options zone in the domestic terminal arrival area is another testament to the airport's unwavering commitment to enhancing customer satisfaction. SVPI airport is committed to increasing transport options and facilities for seamless onward journey to passenger's destinations from Ahmedabad.
