

Thiruvananthapuram International Airport

Press Note

WiFi coupon kiosk at TIAL

Thiruvananthapuram: Wi-Fi Coupon Dispensing Kiosks have been set up at Thiruvananthapuram International Airport to facilitate free Wi-Fi service for those who do not have an Indian SIM card. Passengers will get 2 hours of free Wi-Fi service.

TIAL is the first airport in Kerala to implement Wi-Fi coupon kiosk. After scanning your passport and boarding pass, you will get a coupon containing the Wi-Fi password from the kiosk. Passengers can scan documents on their own at the kiosk. Kiosks are located in the departure hall of the international and domestic terminals. More kiosks will be set up soon, including at the arrival halls. Free Wi-Fi service is already available for passengers with an Indian sim card.
