# Super Cool Summer activities at SVPI airport to make vacation travel memorable.

**Ahmedabad, May 12, 2023:** Sardar Vallabhbhai Patel International Airport continuously strives to improve the passenger experience. Special attractive décor and several engagement activities will engage passengers while traveling for their summer vacations.

Are you looking to take some amazing selfies and family photos this summer vacation? It will start from the airport with several beautiful décors inside and outside terminal buildings. The 70-days of Summer Carnival began on April 23rd. With over 30+ outlets and 100+ offers, passengers can take advantage of exciting deals and discounts and combos on food and beverages to retail and services, from authentic Gujarati snacks to various gifting options for your friends and family. There is more than 30+ outlets participating in the carnival, including popular brands like Naastho, Gwalia, Subway, MacV, Hocco Eatery, Rare Planet, and Sankalp; there's something supercool for everyone out there!

Passengers can indulge in art activities like jardoshi & embroidery workshop and many others planned during the summer Carnival period. Along with the craft activities, the airport features attractive decorations, selfie booths, and engagement kiosks to make your travel experience even more delightful.

To make shopping even more accessible, we have recently launched Adani One application, providing faster and smoother shopping experiences. In addition, QR codes displayed throughout the airport will direct you to various offers through the application and website.

Take advantage of this incredible airport experience. Stop by the Summer Carnival 2023 at Sardar Vallabhbhai Patel International Airport and get value for your money while having fun and make an everlasting memory of your summer vacations!
