

Mumbai's CSMIA boosts domestic & international connectivity; airport to operate 14% more weekly flight movements this summer

- CSMIA Summer Schedule sees over 14% increase in weekly flight movements in 2023, as compared to 2022.
- Mumbai airport to cater to 714 domestic movements and 252 international movements this summer.

Mumbai, April 13, 2023: Mumbai's Chhatrapati Shivaji Maharaj International Airport (CSMIA) has announced its summer schedule with 14% more weekly flight movements as compared to the summer schedule of 2022. The summer schedule is effective from 26th March, 2023 till 28th October, 2023. Increased demand for domestic and international travel movement from CSMIA has fueled the rise in the overall flight operations, which in turn will benefit the travellers from Mumbai and neighboring cities. Moreover, the summer schedule will have additional services to 24 destinations.

With travel gaining momentum in India, CSMIA is ready to cater to passengers with better connectivity and enhanced flight schedule this summer. CSMIA will see 966 daily movements, as against approx. 820 of the previous summer schedule of 2022. Witnessing over 6762 movements weekly, thus observing over 14% hike in 2023 weekly flight operations as compared to 2022. Of which IndiGo will cater to weekly 47% movements, Air India with weekly 17% movements and Vistara with weekly 14% movements. Summer schedule will also witness increased connectivity with additional 44 movements to Goa, 37 movements to Hyderabad, 31 more movements to Kochi, 28 more movements to Rajkot and Vadodara among others across.

CSMIA is well-aligned with the passengers' need and the demand to specific destinations. Travellers flying through the city will witness 714 domestic movements and 252 movements on international destinations. Najaf, Kathmandu, San Francisco, Istanbul, Colombo, Phu Quoc, Danang, among many others are the newly introduced routes. While Fly Baghdad, VietJet, and Azerbaijan have newly commenced operations on this route to Mumbai. The airport has curated this revised schedule to better suit the growing passenger movement through Mumbai and for travellers to enjoy the best possible direct flight connectivity.

CSMIA is cognizant of the rising demand among passengers and has various contingencies set. The boost in connectivity for summer schedule is a commitment to continue CSMIA's motto of 'Gateway to Goodness', ensuring best routes, world-class offerings, and a seamless travel experience for each passenger.

About Mumbai International Airport Limited (MIAL):

Mumbai International Airport Limited (MIAL) is managed by Adani Airport Holdings Limited (AAHL), a subsidiary of Adani Enterprises, the flagship company of the globally diversified Adani Group. MIAL is a Public-Private Partnership (PPP) venture between AAHL, holding a majority stake of 74%, and the Airports Authority of India, holding the rest 26%. AAHL aims to converge India's biggest cities in a hub and spoke model through the Group's proven strength in developing and managing complex transport & logistics hubs.

With a strong understanding of modern-day mobility requirements, the Adani Group's vision for MIAL is to reinvent Mumbai International Airport as India's biggest aerotropolis, where the traditional airport nucleus of passenger and cargo infrastructure will be reinforced by interdependent clusters of commercial and residential infrastructure to create the nation's busiest airport ecosystem.

MIAL has been further envisioned as a global air-travel focal point where domestic and international flyers actively engage in business and leisure supported by metropolitan expansion that catalyses aviation-linked businesses and employment opportunities. At MIAL, we intend to create distinctiveness with an experiential offering that puts Mumbai first.
