

IN 24 HOURS, MUMBAI'S CSMIA HANDLES A RECORD 1,30,374 PASSENGERS, THE HIGHEST SINCE THE PANDEMIC

~Over the weekend, the airport caters to more than 2.6 lakh passengers~

Mumbai, September 20, 2022: Breaking its own single-day record, CSMIA, one of the world's busiest single runway airports handled the highest passenger movement of 1,30,374 on 17th September 2022, the highest since the pandemic. The growth in traffic is a result of newer destinations, rising flight movements and increase in airline capacity at Mumbai's Chhatrapati Shivaji Maharaj International Airport.

On 17th of September, close to 95,080 passengers travelled through Terminal 2 (T2) and 35,294 were witnessed travelling through Terminal 1 (T1) with 839 total flight movements on this day. IndiGo Vistara & Go First catered the highest passenger traffic, on domestic routes. As for international, IndiGo, Air India, and Emirates stood among the top 3. Delhi, Bengaluru, and Chennai were the top 3 domestic destinations while Dubai, Abu Dhabi & Singapore remained the top 3 international routes with maximum air traffic.

Adding to the weekend rush, on 18th September 2022, CSMIA again witnessed over 1.3 lakh passengers of which approximately 98,000+ pax travelled domestically while around 32,000 pax were seen travelling on international routes.

According to rating agency Investment Information and Credit Rating Agency of India Limited (ICRA), domestic traffic rose to 5 percent to 1.02 crore in August 2022, indicating that the aviation industry is set on the road to recovery with normalcy in flight operations.

Over the years, CSMIA has strived to stay ahead of its curve and redefine the air travel experience for millions of passengers. With world-class services, passenger-centric facilities, diligent staff, state-of-the-art infrastructure, and introduction of the latest technologies and services, CSMIA continues to offer passengers a convenient and hassle-free experience. With travel ramping up and more passengers expected to fly, CSMIA endeavors to provide a smooth transit experience for all its passengers through its 'Gateway to Goodness'.

About Mumbai International Airport Limited (MIAL):

Mumbai International Airport Limited (MIAL) is managed by Adani Airport Holdings Limited (AAHL), a subsidiary of the Adani Enterprises, the flagship company of the globally diversified Adani Group. MIAL is a Public-Private Partnership (PPP) venture between AAHL, holding a majority stake of 74%, and the Airports Authority of India, holding the rest 26%. AAHL aims to converge India's biggest cities in a hub and spoke model through the Group's proven strength in developing and managing complex transport & logistics hubs.

With a strong understanding of modern-day mobility requirements, the Adani Group's vision for MIAL is to reinvent Mumbai International Airport as India's biggest aerotropolis, where the traditional airport nucleus of passenger and cargo infrastructure will be reinforced by interdependent clusters of commercial and residential infrastructure to create the nation's busiest airport ecosystem.

MIAL has been further envisioned as a global air-travel focal point where domestic and international flyers actively engage in business and leisure supported by metropolitan expansion that catalyzes aviation-linked businesses and employment opportunities. At MIAL, we intend to create distinctiveness with an experiential offering that puts Mumbai first.
