DAY WITH THEMATIC DECOR

Mumbai, August 14th, 2022: Chhatrapati Shivaji Maharaj International Airport (CSMIA) celebrates the special occasion of India's 75th Independence Day reinforcing the 'Atma Nirbhar Bharat' spirit. To commemorate the occasion, the airport's aesthetic white façade will be adorned in the vibrant hues of tricolour. Besides, the airport has also set up special art installations inside the terminal in beautiful tricolors showcasing the groups' presence in different business verticals. This translates the promise of creating a sustainable living for communities with a motto of 'Growth with Goodness' while fostering a greener environment for generations to come. And reinforces the group's business vision alignment to nation building and inspiring the country's progress globally.

On this day, passengers travelling via CSMIA witness the traditional ceremony and flag hoisting, instilling the inherent sense of pride in the achievements of our nation. Proudly portraying its patriotic essence, Mumbai's iconic CSMIA was beautifully decorated to commemorate the occasion.

CSMIA takes the opportunity to salute all Indians who have gone above and beyond the call of duty during these uncertain times to help their fellow citizens in the past few years of the pandemic. The airport also recognises the dedicated and selfless contribution of the citizens who have been working tirelessly in their efforts to take the nation to greater heights. On Independence Day and for a week, the airport is on high alert with stringent access to regulate entry to airport terminal buildings, all operational areas and other airport facilities. Further, extra security is deployed at the airport to prevent any untoward incidents.
